Well, another year has gone by,
It seems like time really does fly,
Our Junior year was full of fun,
Ball games and activities
Kept us on the run,
Homecoming was a challenge and
We had lots of fun.
We fought with the Seniors
And became #1.
Prom came too soon,
Would we make it for sure?
But one day it May, we had our answer.
The school year then ended,
We did Seniors farewell.
Will we see them again?
Only time can tell.
Next year is our year,
The last year for us.
We'll make it together,
Graduation or Bust!

IT'S YOUR MOVE

CLUBBING IT

Many students thrive on the extracurricular activities which are offered at Donovan High School. These activities provide the average students with an opportunity to display their creativity, competitiveness, and improve their well-being. The next few pages contain many memorable moments experienced by the students during their free time at DHS.

Media Service members have the unique responsibility of taping basketball games with the school's video camera. Other members help in the library with recorders, projectors and televisions.

STUDENT COUNCIL DHS LEADERSHIP

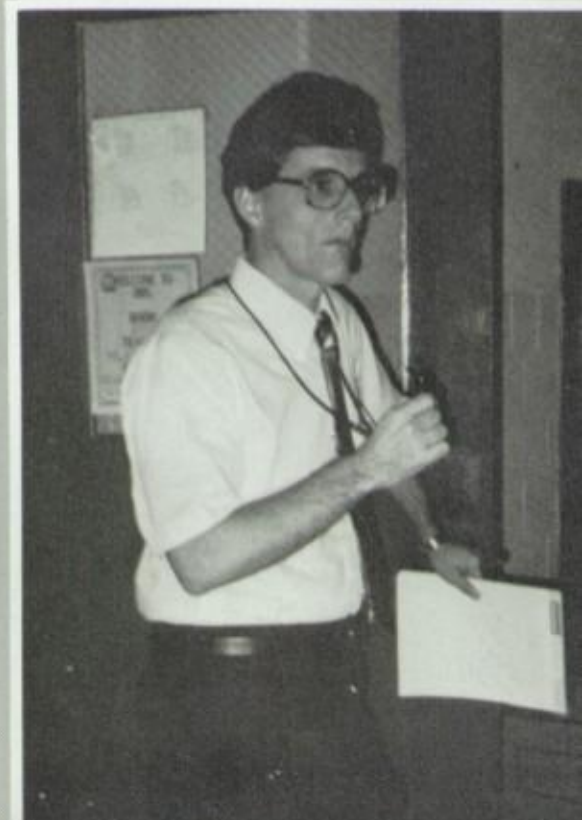

The Council, led by President Jill Duzenbery, has had a busy year. The major project was Homecoming 86. Other activities included concession sales, May baskets, and others. The council purchased a complete flag set to be displayed at graduation.

Matchpoints, FHA and Donovo are three of the clubs offered to students at DHS. Matchpoints is a scholastic club which allows students to demonstrate their knowledge of facts, figures, and trivia in a variety of subjects. These students participated in a matchpoints competition each year at KCC. The club is sponsored by Mr. Walker. FHA is a club sponsored by Mrs. Krones. They are engaged in several activities including producing cocoa for the cocoa warm-up after homecoming game night. The yearbook staff, also known as the Donovo, puts many hours in to producing the annual yearbook. IN early fall they began by selling ads to area businesses and then sold yearbooks to the students. They also plan pages and take pictures of the students for the yearbook. Many students enjoy being members of these clubs.

INTRAMURAL BASKETBALL

The high school boys basketball intramural program experienced its closest competition ever in the ten years of sponsorship and participation by Mr. Walker. The league play concluded with all three teams tied with 2-2 records. The teachers team, consisting of only six players, remained undefeated since 1972.

High Flyers VI at left: Arlin DePatis, Jeff Klecan, Chris Gertsch, Tim Wessels, Scott Zabel. Front row: Steve Eilers, Brett Galyen and Rick Bauer.

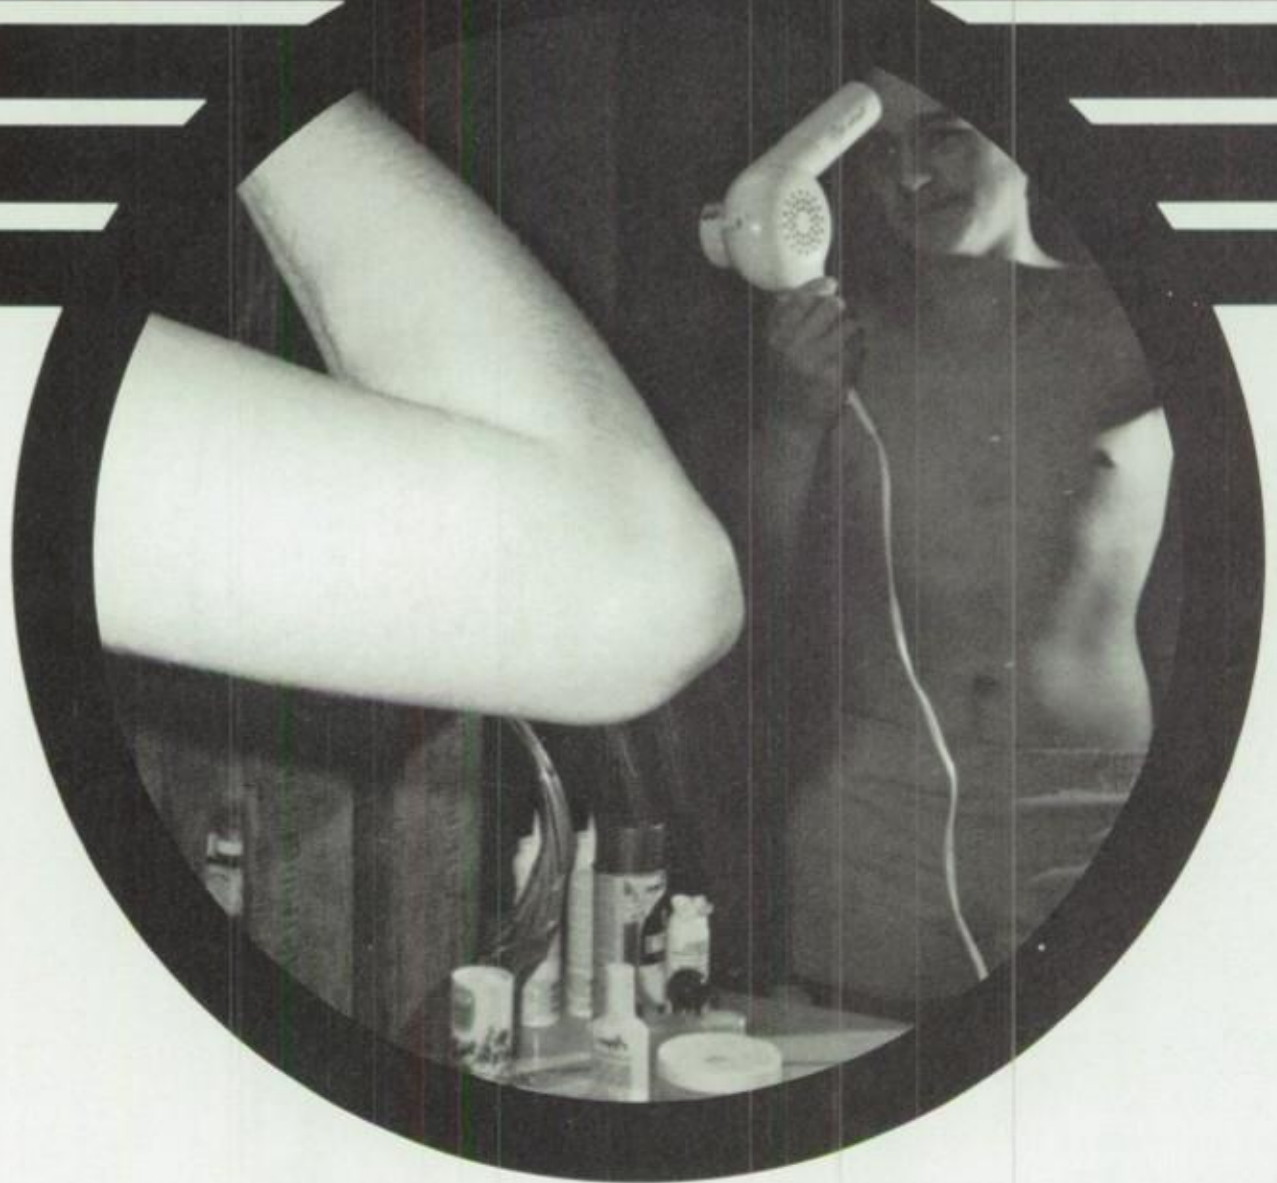

Selected for this year's All Star squad were: Jeff Klecan, Eric Hubert, and Curt Sawyer (unanimous); also selected were: Scott Zabel, Arlin DePatis, Keith Anderson, and Rod Lafond. Receiving Honorable Mention were: Phil Roberts, Jim Buess, and Will Klecan. High Flyers VI took 1st place, Dio took 2nd place and Flight 87 took third based on point spread of games played.

STUDENT LIFE

4:30 A.M., Arseneau residence, Chad, the youngest, begins the day with a 3 mile jog. He then pumps iron and cools down enjoying a delicious breakfast.

5:00 A.M. — Chad showers and blow dries, this takes considerable time as he makes sure to get the right look.

7:55 A.M. — The excitement builds for another day at school. Chauffeured to school by sister Stacie, Chad begins preparing to make the moves necessary to get m through life as a student at DHS.

MAKING THE MOVES

a salute to friendship

There are things in this world which are dear to the heart, like food and music and the beauty of good art.

There are mothers and fathers and relatives you love, there are beautiful birds which soar up above.

There are kittens and puppies and babies so cute, there are beautiful notes of a melodious flute.

There are times when these things seem second to none, I think when I've got them that surely I've won.

But when I took the time to describe what I've got, I realized there is one thing that I really can not.

This one thing I've got is delicate yet strong, It's forceful and demanding yet it is never wrong.

It is as true as it can be It is faithful and kind And it seems that in my life it is not hard to find.

The love of my friends is what I'm trying to point out, it is something I've found that I can not do without.

There are no words to describe the friends like mine. One could never hope for friends so fine.

They are there when I need them, through the good times and bad. And once when I didn't expect them they made me feel glad.

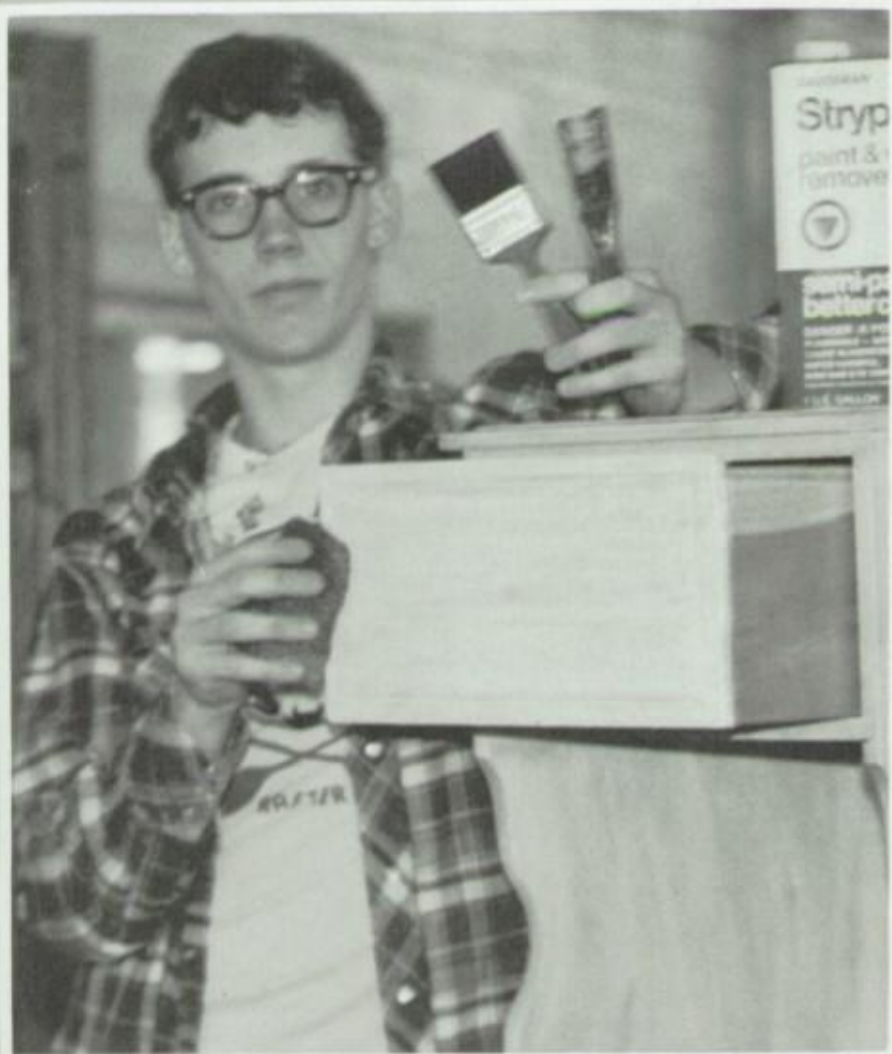

I had aged another year with them by my side, and my love for them I can not hide.

This is to my good friends that I've made thus far. There is no need to list them, they know who they are.

A TRIBUTE TO FASHION

The latest in fashions for the 1987 Sportswear and Leisure wear Collection from Donovan High School have just been released exclusively in this years annual. This unique and rare collection reflects the attitudes and expressions here at DHS. Our models wear clothes which reflect their personality if they have one. They are of top quality and have become world renowned. Our undercover detective at Donovan snuck in before a photo session and quoted many of the models. These quotes are the secret ingredient which New York designers look for in models. Donovan has some of the best, upper left: Rosemarie Ryan, "I hope I marry some real sweet guy who is stinking rich." Tiny Terry, "What I really dislike is how blondes are portrayed on TV" Just Arlin, "Basically my life is care free except when I get home late." Dainty Darin, "I have a collection of 140 pairs of earrings that all cost under a dollar each, but dancing is the love of my life." Below left: Tantalizing Troy, "Sometimes I'm a rebel," Gorgeous Jeff, "My favorite hobbies are eating and jamming basketballs" Patty Chadie, "In Indonesia I studied classical Balinese and Javanese and learned to dance." Venita, Angie, and Valerie — Our very own Pointer Sisters and above — our very own Madonna. Join us next time when we look at the trials and tribulations in American Life at DHS Today.

TRIBUTE TO THE STUDENT'S FUTURES

One of the objectives of the faculty at DHS is to help the students find and develop their strong areas. The students are interested in various careers: Duane is practicing modeling shower caps for the Sears summer catalog. Chris Gertsch's goal is to be a brain surgeon with Stacey Seabert as his faithful assistant. Vance and Teddy will be hunters although they are not sure what they will hunt. Scott Zabel has a dream . . . to be a disciple of God. And Stacey Seabert is already practicing her mysterious striptease act. Tim Wessels hasn't figured out what he wants to be when he grows up yet; Tracy Ratliff practices smiling for Colgate Commercials. Tricia is going to make a career of cleaning toilets; Jeff Heagle is going to model uniforms — all types. Eric Hubert practices being a father by feeding his illegitimate child Jeff Klecan. And Julie Moore — well we're not too sure what she's going to do. We wish the best of luck to all the students at DHS in whatever they decide to do, and even more luck to their future employers.

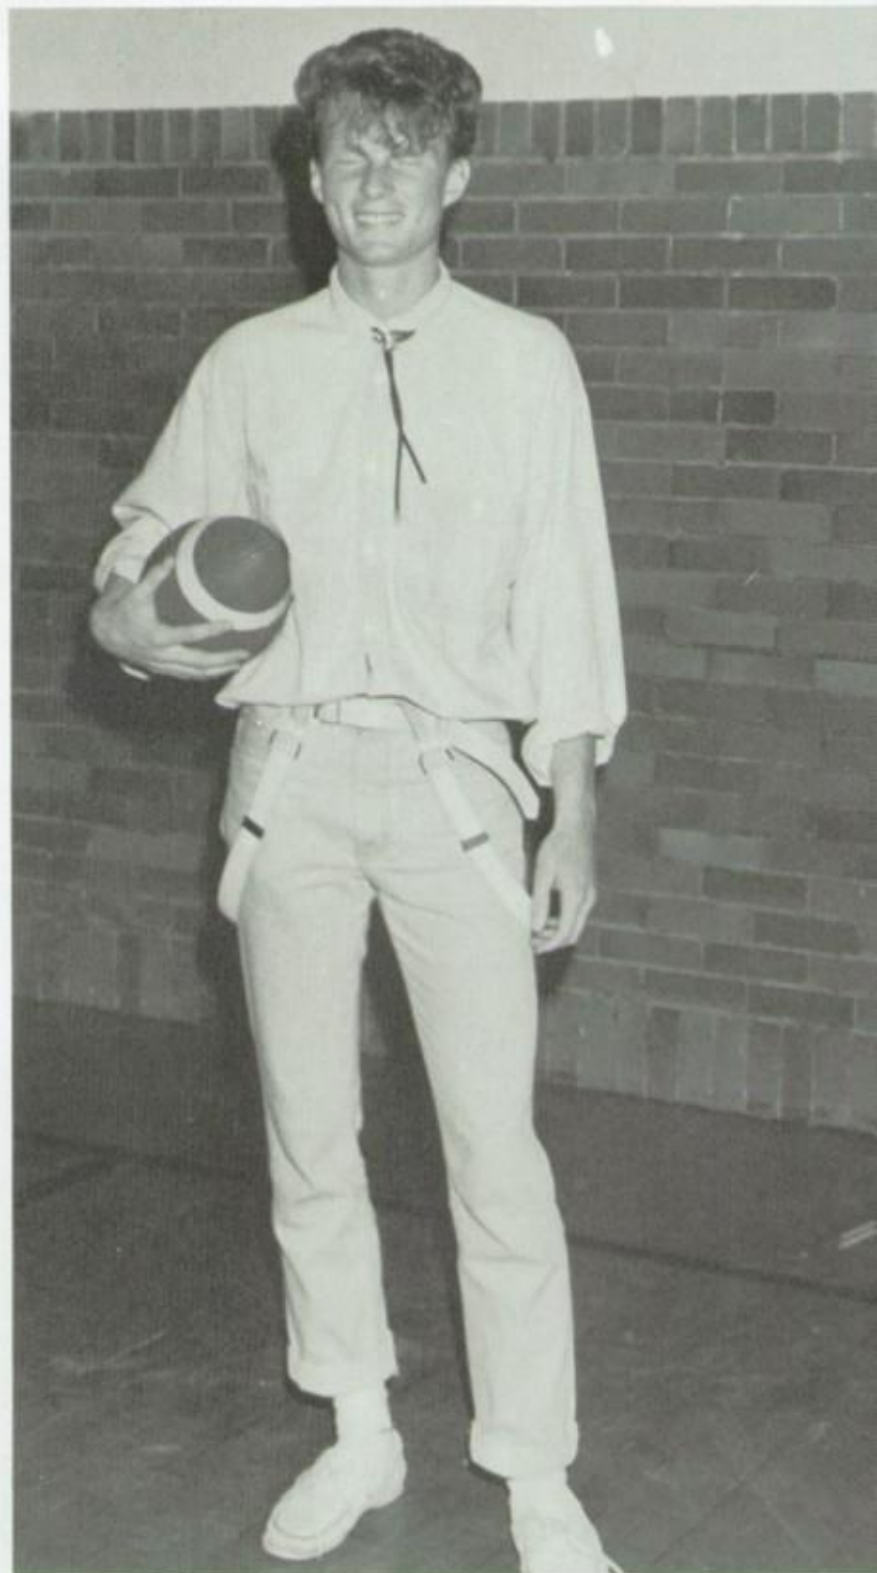

ROGER JENSEN

Donovan's foreign exchange student for 1987 was Roger Jensen. He stayed with Burnetta and Jim Curby of Beaverville for an entire year. While visiting America, Roger experienced a different culture other than his homeland of Norway and adopted many customs of America. Roger has really enjoyed his stay here, and Donovan will always remember Roger as a friendly European. Roger was born February 24, 1969 in Norway. His mother, Maybritt is a telephone operator, and his father, Martin is a product manager for a major company in Norway. Roger has one sister Vibeke who is 14 years old. Jim, Burnetta, Tara and Dana Curby are his family in the United States.

Entering his junior year in school, Roger says that the teachers in America are "more Strict" than they are in Norway, and he adds that there are 15 minutes between each class in Norway. Roger enjoys school in America though, and says that Art is his favorite class. What Roger likes most about American culture is its overall freedom. He says that people are real friendly and kind in Donovan, and the food is really good. Roger's favorite food is hot dogs. Other favorites include: color — black, actor — John Wayne, Ac-

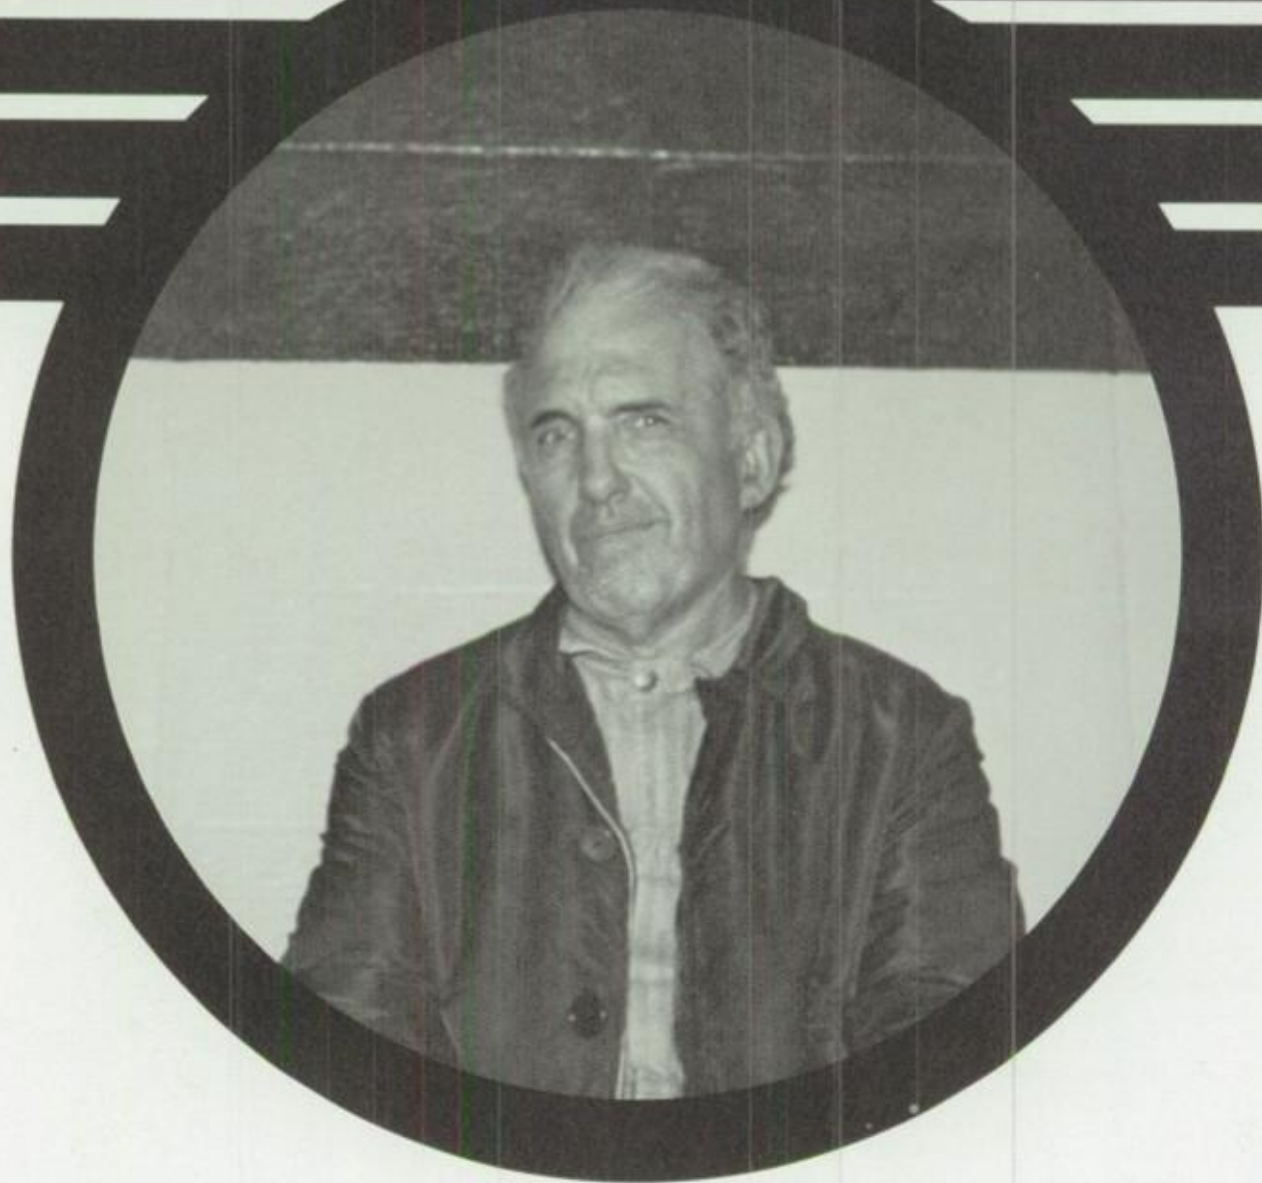

tress — Brooke Shields, Movie — Pretty in Pink, Person — the Curby's, and TV show — Cosby Show. Roger says that his most embarrassing moment was during his first few weeks in school when he tried to get Mr. Klinefelter's attention by snapping his fingers at him instead of raising his hand. In Norway that is the way you get the teachers attention. Roger enjoyed Homecoming '86, Heaven in Your Eyes, and said that it is his most memorable moment at DHS. When asked, Roger said his most influential person at DHS was Todd Harding. Roger's future plans include attending his last year of High School in Norway, and then he plans of attending college possibly for art.

While at Donovan, Roger was stats keeper for fall baseball and basketball manager. He was in Stage 80 and the Media Services.

ATHLETICS

We are dedicating this division page to our most loyal fan, Mr. David Moore. He attends all High School and Junior High, baseball, volleyball, basketball and softball games. We appreciate his support and thank him for being such a dedicated fan.

1987

ALL THE RIGHT MOVES

senior athletes

Senior Scott Zabel participated in fall baseball and track this spring at Donovan. Scott played infield in baseball until one day he saw the light and was converted. His baseball career ended early in the season. In track Scott ran the 400 meter run, 200 meter run and the 400 meter relay. Scott had a much better time in track, as it allowed him to display his ability as an athlete. Scott was also an intramural athlete participating his sophomore, junior and senior year. Scott was captain of the victorious High flyer VI team this year. He was also selected as part of the all star team. His favorite sport of course we can't mention here. He also enjoys golf and sharpens his game on any warm school day that he gets a chance.

Senior Jeff Klecan participated in basketball as a Freshman, Fall baseball all four years and track for three years. In baseball Jeff was the catcher of choice giving the team a boost behind the plate and also at the plate with his fine hitting ability. In track he ran the 400 meter relay, 200 meter run, and the 800 relay. Track gave Jeff a chance to refine his athletic skills, which he will use in the navy. He also participated in all intramural sports, Jeff was a member of the High Flyers VI and the All Star team. His favorite sport is burning calories and Jeff also enjoys skydiving whenever he gets the urge to drop from high altitudes.

Senior Chris Gertsch, What can we say, the epitome of an athlete. Chris participated in basketball his freshman and sophomore year and track his sophomore through senior years. Chris was the B.M.O.C. (Big Man on Court) in basketball. He had the ability to really throw his weight around. In track his events were the shotput and discus. Chris could really let those objects fly. He was also active in the intramural sports as a member of the High Flyers VI. His favorite sport is one that is very interesting. Chris enjoys water polo. His floating ability allows him to really shine in this sport although with his busy schedule Chris rarely gets a chance to play this challenging activity.

athlete (ath-let) — one who has a natural aptitude or is capable of taking part in exercises or activities requiring mental agility, endurance, or strength.

The track team participated in the following meets this year.

April 6 at Herscher (3rd)
 April 7 at St. Anne (2nd)
 April 16 at Central (cancel)
 April 21 South Newton (2nd)
 April 22 Rossville (cancel)
 April 28 Bishop Mac Relays
 May 1 County Meet at Watseka
 May 4 at Tri-County
 May 12 at North Newton

In his third year as DHS track coach, Rick Banning emphasized teamwork and participatin among his athletes. The track team allows those students who normally do not get a chance to participate the opportunity to exhibit their talents either individually or as part of the team. Congratulations on another fine season.

VOLLEYBALL

Sports-man-ship (sports men ship) — playing fair and losing without complaint and winning without gloating.

The volleyball had several ups and downs this season. The Junior Varsity had a 9-8 record. Several new freshmen and sophomore plays received playing time and contributed their talents. They had their first taste of conditioning practice and experienced the pressure of playing in front of several fans. They were able to accept these challenges with the help of the Sophomores who had a year of experience. Many freshmen and sophomores were also members of the varsity team. The Varsity team was very young this year with only two seniors. They had 21 games plus two tournaments in which they gained a lot of

experience.

The varsity members held a volleyball clinic in February at the elementary school for students in grades 4th through 6th to help get students interested in volleyball. They taught the participants the basic techniques of bumping, setting and serving. This helped improve the skills of the participants and the players. At the Awards Banquet, several players were honored. Tonya Lemenager received the JV Award, Dawn Pope was the "Best Server" and Most Improved Player. Senior Susie Caise was the "Best Setter" and Most Valuable Player and Denise Fertig was the "Best Spiker".

Miss Debbie Lake has coached Junior Varsity and Varsity Volleyball for the past five years. She has also been the girl's softball and basketball coach. During these years she has experienced good and bad seasons in each of the sports. She has also seen a lot of talented athletes and helped them develop their skills. Throughout the year she is kept busy with practices and games, and she contributes much of her free time to these sports. She enjoys coaching and playing each of these sports.

Senior, Susie Caise is a four year participant in volleyball, has played girls' basketball for two years and was in track one year. She has lettered in each of these sports. In volleyball she was Most Improved Player and was on the All-Conference team. In volleyball she played the position of setter, in basketball she was a guard and in track she ran the 200 meter and 400 meter dashes. Her favorite sport is volleyball.

Senior, Denise Fertig, is an all around athlete. She has played volleyball for four years, was a member of the Hy-Lites squad for three years and played softball each year in high school. She also played on the summer softball team for several years. She was a spiker for the volleyball team and received the spiking award this year. In softball she played first base. She lettered in each of these sports. Her favorite sports are volleyball and softball and she spends much of her time perfecting her skills in these sports. She is a very dedicated athlete.

SENIOR ATHLETES

Lori LaFond has been a cheerleader all four years in high school and this year she was captain of the varsity squad. Her cheerleading career began in sixth grade when she cheered for the Mighty Bobcats and continued through Junior High. Lori cheered for the Wildcats through the good and bad games and devoted all her energy to the sport of cheerleading. Just under five feet tall, Lori was most likely the cheerleader at the top of all the pyramids. Pep and school spirit will always be remembered by Wildcat fans who were led by Super Cheerleader, Lori LaFond.

Stacie Arseneau participated in athletic organizations at DHS. Stacie was a cheerleader for two years becoming a varsity cheerleader her sophomore year. Her junior year marked the year as the "Wildcat mascot". She was a member of the volleyball team for three years where she lettered her junior year. Stacie attempted track for junior year but failed to go to any meets. In her senior year she went out for Hylites, and learned various dance routines. Stacie has enjoyed all the sports and teams at DHS. Outside of school she enjoys tennis.

Above is a picture of the 1986-7 Donovan High School Wildcat Mascot. Julie has been the mascot for one year along with Debbie Hoyer. They have shared the responsibility of cheering the wildcats through victory and defeat. At home games, as a tradition, the mascot runs through the hoop at the beginning of the varsity game and then rings the victory bell if the Wildcats win. The mascot must put up with the hot suit and the little kids pulling the tail, but in the end it becomes a fun experience. Julie did a great job leading cheers.

Top row: Lori LaFonda, Lynde Focken, Dawn Pope, Jennifer Grant, Tammy Burdick and Madonna Arseneau. Bottom: Tracy Zabel, Kendra Wessels, Traci Ratliff, Michelle Coles, Stacey Seabert, and Jeanne Johnston.

Mrs. Debra Hamilton has been the cheerleading sponsor at Donovan for six years. Her experience has helped Donovan become one of the best squads in the state.

spir-it (spir'it) 1. same as soul 2. life, will, thought, etc., regarded as separate from matter 3. a supernatural being, as a ghost, angel, etc.

The cheerleading season is clearly almost the entire year. Girls try out in the previous spring with tough regulations, attend camp in the summer, have a clinic at the grade school in the fall, and then cheer their hearts out the entire basketball season. Their sponsor is Mrs. Hamilton who also does cartwheels, when she's not pregnant. Her spirit and enthusiasm has helped Donovan Cheerleaders become the success that they are today.

All girls who make the squads attend a cheerleading camp in the summer. This year the Junior Varsity attended Universal Cheerleading Association's Camp at Eastern. They received two blue

ribbons and three red ribbons on the various cheers. They took home a spirit stick which is a high honor in cheerleading. The varsity squad traveled to Illinois State University where they took instruction under cheerleaders from the National Cheerleaders Association. Varsity received a spirit stick award, three blue ribbons on various cheers and the honor of being a Superstar Squad and an Award of Excellence. The two squads represented Donovan very well.

School began and the cheerleaders started the cheerleading clinic at the grade school. Girls at the clinic were taught the basics of cheerleading by the varsity and junior varsity cheerleaders. The sea-

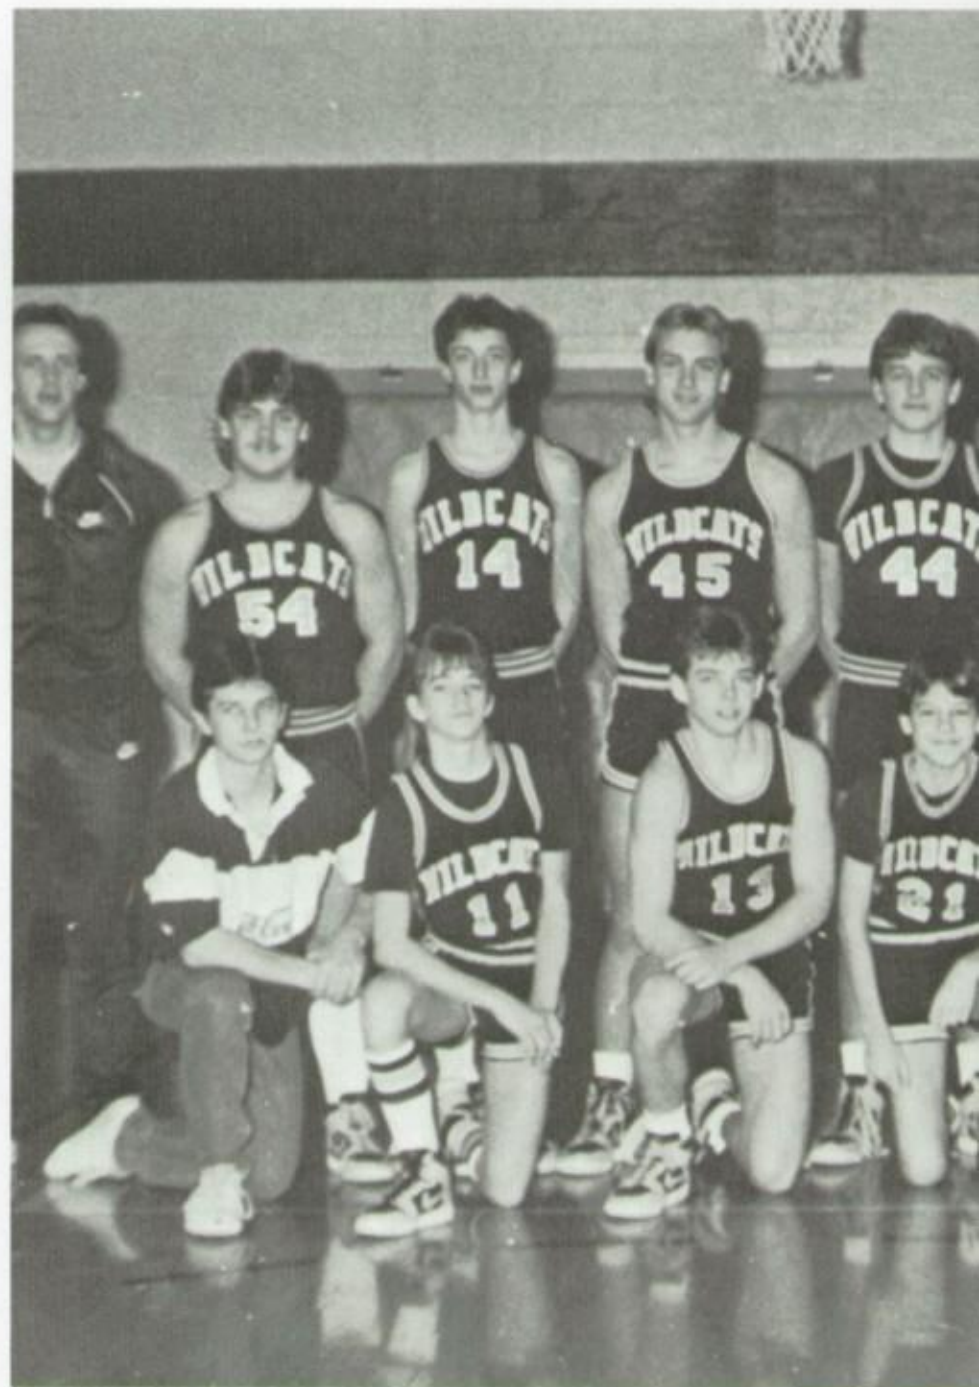

son began with the Varsity receiving 1st place at the Melvin Sibley Turkey Tourney, and the season ended with the Junior Varsity placing 1st at the Cissna Park Tournament. ALRIGHT CHEERLEADERS!!!

BASKETBALL

team (tém) 1. two or more horses, oxen, etc. harnessed to the same plow, etc. 2. A group of people working or playing together to join in cooperative activity.

The JV team had a good season this year. Sparked by aggressive playing, they finished the season 16-8. Among their successes included placing 3rd in the Frosh./Soph. Cissna Park Tournament and in the Central Tournament. The team, pictured at right, were lead by Jeremy Hatch, Rebound Champion and Free Throw Champ, Chad Arseneau, Most Improved Player, Waide Askew, Best Defensive Player and Ryan Markley, Most Dedicated Player. Coach Hamilton has much to look forward to as these talented athletes advanced to Varsity Status.

The Varsity team, pictured below center, ended their season 19-7. The Wildcats enjoyed a winning season this year due to hard work and their offensive and defensive work on the floor. Early in the season they finished 3rd in the Mel-Sib Turkey Tourney. In the County Tourney they came away with a third and managed to place third in the conference. Among the stats Brian Walls pounded the boards for 195 rebounds and John Wisniewski hit for 83% from the Free throw line. Congratulations on a fine season.

The Wildcats accomplished a rarity when they broke the century mark in a conference win over Rankin. The scoreboard was donated in 1984 by the State Bank and the Athletic Boosters.

SENIOR ATHLETES

Coach Scott Hamilton has many responsibilities in the athletic department. He is the Athletic Director, Varsity and Junior Varsity basketball coach and also coaches fall and spring baseball. In his 6th season at DHS he has demonstrated through leadership, teamwork, and his coaching ability, that Donovan can compete against larger schools and come out on top. Above we see him discussing a strategy with the varsity team during a time out.

Above is senior, John Wisniewski. John has been a great asset to the sports program in his four years at DHS. He has participated in fall and spring baseball for two years and was the Batting Champ this year in the fall season. He has played basketball for four years. This past season he had the best free throw percentage and was voted Most Valuable Player. John always managed to provide entertainment and thrill to every basketball game with his unique moves, fakes, and shots. John has also been a member of the track team. Last season he went to state and placed 4th in the triple jump. John has been a very successful athlete and will be missed.

Senior Dave Guilbeault, pictured above has been a four year participant of the basketball team. He has worked very hard over these four years and proved himself to be a dedicated and valuable player. This year he was given more playing time than in the past few years and was able to demonstrate his ability. All his hard work, which had gone unnoticed in the past, paid off, and he was voted Most Improved Player. Dave has not participated in any other sports at school, but has been an avid karate student outside of school. Many students at DHS have seen his skills as Dave is always willing to demonstrate them.

senior athletes

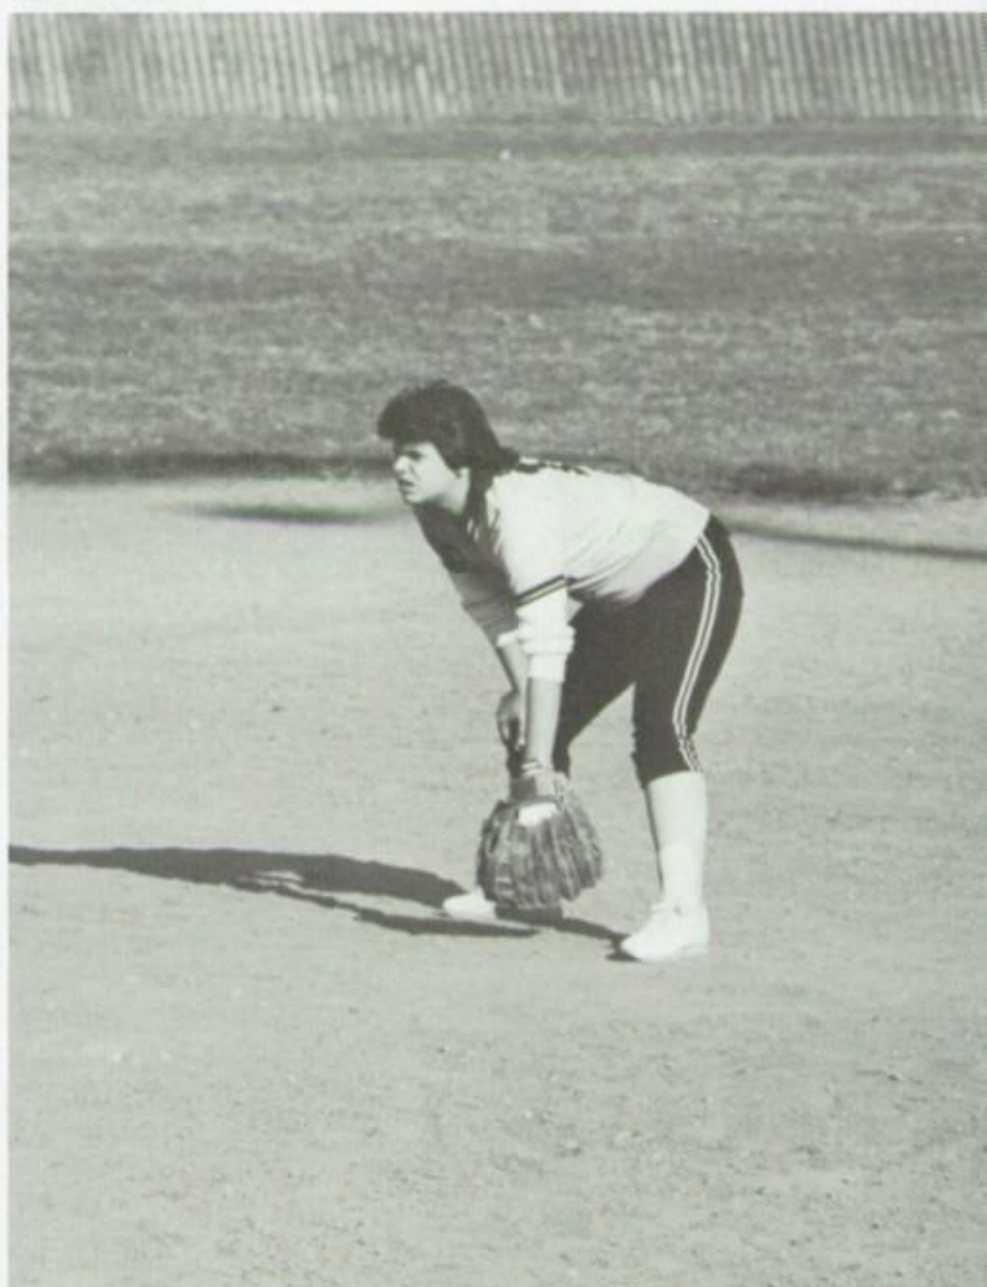

Dani has participated in interscholastic sports three of her four years at Donovan High School. Her freshman and sophomore years she was on the girls' basketball team. She played the position of forward and contributed her many talents to the team. She earned her letters and numbers as well as winning Best Free throw percentage her sophomore year. In softball she plays third base, shown here exhibiting her fine fielding ability. Dani always strives to be the best athlete possible attending all practices whenever possible.

Senior, Donita Gillespie participated in softball all four years at DHS. She earned her letter and numerals and an additional 2 pins for her performance in this sport. Playing right field her freshman year and ending up at second base, Donita's size suited her better for a position at shortstop. During her freshman and sophomore years she was one of the privileged few to be selected as a member of the Hy-lites squad. Her favorite sport is football, however we don't think she enjoys the game itself. Donita is determined to be the best athlete possible, striving always to excel.

Senior, Kim Guynn has been a very dedicated athlete during her years at Donovan High School. She was a dedicated and spunky basketball player her freshman and sophomore years and lettered both years. As a guard she was able to display her ability to hustle and her talents. In softball she was an excellent player and lettered her sophomore, junior and senior years. She played the position of shortstop and also pitched. Kim's favorite activities are softball and basketball.

Senior athlete Donna Williamson in group photo at left was a fine asset to the softball team in her four years at DHS. Injured early in the season, Donna came back to provide leadership.

At left: Freshman Traci Ratliff at practice. Look for Traci to become a dominant figure in Girls sports as she refines her fine athletic ability at Donovan High School.

Below: Sophomore Tonya Lemenager packs a punch in this at bat scoring two runs and getting a double. Tonya also is gaining valuable expertise in her position as catcher.

DETERMINED TO WIN

Below: In the dugout Tricia Rech-kemmer, Donita Gillespie and Laticia McCullough discuss possible game strategies and about how they can improve their individual skills. Yeah right girls.

At: Freshman Dawnnita Vasquez is ready to field the next hit. Dawnnita is a fine athlete and as her skills are sharpened she will be an addition to any team.

De-ter-min-a-tion (di t r' m nā'shen) 1. a determining of being determined. 2. a firm intention 3. a firmness of purpose.

May 11 Wilmington (home)
May 12 Grant Park (home)

May 14 Herscher (home)
May 15 St. Anne (home) As you can see the girls' have a short season but play several games. Coaching softball again, in her 5th season at Donovan is Miss Lake. She has a year to begin shaping new talent into a cohesive unit. Look for this team to start to shine in the next few years as these young players gain valuable playing time. Softball at Donovan has been a sport to provide the girls with an opportunity for experience in fielding, batting, pitching and other elements of the game. Congratulations on another fine season.

THE BOYS OF BASEBALL

Skill (skil) n. 1. great ability or proficiency 2. an art, craft, etc. esp. one involving the use of hands or body

The fall baseball team of 1986 was one of the few teams in the area ever to win the Conference with an undefeated conference record. Three members of the Donovan Wildcats were selected to the All-Conference Team and they were Darin Henneike, John Wisniewski, and Jeff Sobkoviak. The team did a fantastic job throughout the season.

Warming up in the batting cage were the Wildcats as they prepared for Spring Baseball. Starting in the early part of March the Cats began in the gold and black gym. Returning ace pitcher

Darin Henneike continued his quality performance, and other pitchers, Jeff Sobkoviak, Curt Sawyer, and Chad Arseneau warmed up their pitching arms. What looked like a tough 30 game schedule, had everyone working out.

The spring season was filled with April showers and the schedule turned out to be shorter. Because there is no conference in the spring the games were usually not made up. For the most part, the team warmed up by beating the Rams in a home contest in April. The real action, however, occurred in the midst of May.

Keith Anderson has been a four year member of fall and spring baseball. Playing the outfield, this left handed senior has contributed to the Wildcats victories that have compiled through out the past three years. Keith has been a four year intramural basketball player. This year, he was captain of Fligh '87, and he was selected to the All-Star team.

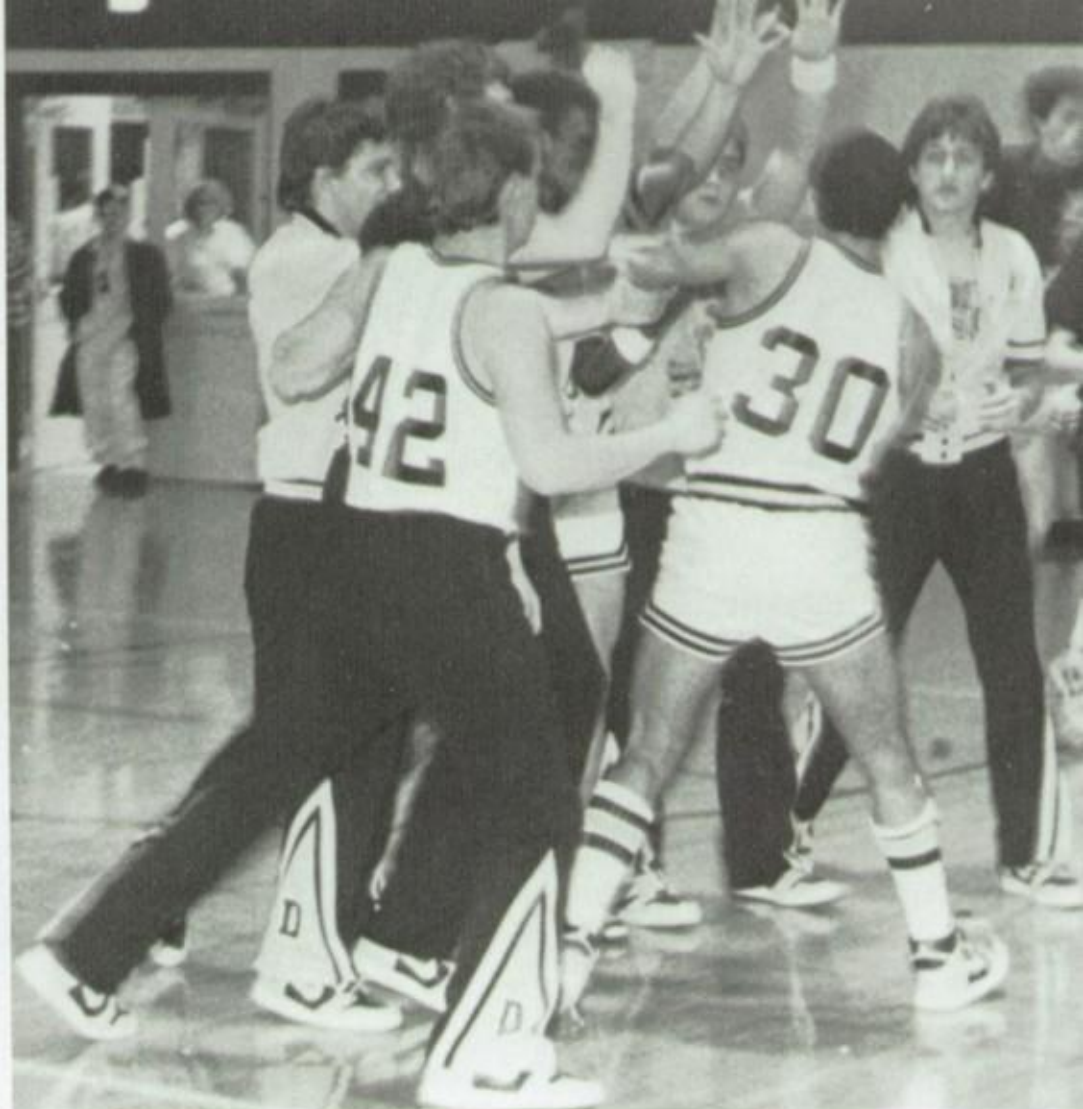

Keith also has a champion ping-pong intramural star competing at Donovan High School. Keith's favorite sport is baseball and in his spare time he enjoys bowling, golfing, soccer, and competing in Dartball tournaments.

Darin Henneike has been a four year letterman in baseball. As a pitcher he has had remarkable records both in fall and spring baseball. In fall of 1986 he had two no-hitters, and lead the team to an 8-0 conference champion record. He was elected to the all conference team and was the RBI champ. Darin's favorite sports are baseball and basketball. He has been a 4 year member of the basketball team earning a varsity letter as a guard for the team. Darin likes to play putt-putt golf when he is not busy striking people out.

Troy Zabel has been in baseball in spring and fall for four years. This year, Troy did an excellent job at catching. Troy was a four year basketball member and played the position of forward. His name was often chanted from the stands. Troy was a very dedicated player taking shots before, during, and after many basketball games. Troy also participated in many intramural sports. In the annual ping pong tournament at Donovan High School, troy showed his ability to play ping-pong. He also showed his talents in the Intramural Volleyball tournaments held during lunch hour.

The Athletic Banquet was held on March 19th at the Redwood Inn in Kankakee. Sports honored were volleyball, fall baseball, cheerleading, Hy-lites, and basketball. The spring sports were honored on Awards Day on May 27th.

MOVING TO THE BEAT

Far right: Stage 80 has their picture taken. Outstanding members include Chad and Shawn Arseneau, below. Right: The girls from choir sing "Your Getting Nothing for Christmas."

"The cast and crew of South Pacific worked hard and in the end performed equally well."

Because the play was in December, many students found the play and other extra-curricular activities very demanding on their time. BUT IT WAS FUN!!!

The all-school play which took place December 6th and 7th was extremely successful despite a few small delays in progress. Rodger's and Hammerstein's "South Pacific" was performed by Stage 80. Stage 80 consisted of performers, the set crews, designers of costumes, light and stage crews. Rehearsals began early in the fall. Under the instruction of Mrs. Chlupsa, students designed and created the tropical scene from scratch. From plywood palm trees to a cardboard hut, Mrs. Chlupsa's ideas were limitless. Mr. Olmsted and the shop class also helped construct the sets. From left to right: Stacie Arseneau, Mrs. Chlupsa, Curt Sawyer

Darrin Akin portrayed Emile DeBecque in "South Pacific". As the male lead, Darrin was a French plantation owner living on a luxurious South Pacific island. Debecque had two children from his marriage to a Polynesian woman who died young. He fell in love with Nellie Forbush, an army nurse from Arkansas, who was shocked to find that he was a father. Nellie was played by Tara Curby. Darrin is seen above singing "Dites-moi" Ngana and Jerome, played by Chrystal Behrends and Kurt Jackson.

Musical seniors from Donovan, Jennifer and Karen, are enjoying the pep assembly. Karen is getting ready to play her sax in DHS's Pep Band.

SOUTH PACIFIC

A whirl of dust appears over the stage as one of the sailors hits the torn curtains and as the light crew, Venita Brown, Rick Bauer, and Steve Gerber turn on the lights. Doctor Paul Clark sits on the piano bench playing songs for the show that will soon start. In the band room many students are dressing and caking on the make-up for the "glamorous" look. Mrs. Krones

explains to the stage crew, Alissa Kohler, Curt Sawyer, Jason DePatis, Tonya Lemenager and Derek Carlson that the palm trees have to be on stage for the beach scene. More people are sitting in the old gym now, and Darrin Akin begins to itch his make-up. He walks to open the door for a breath of fresh air, but walks away in disgust as the Egg Farm aroma suddenly hits

Donovan. Mrs. Brown enters the music room and wishes everyone good luck and to "break a leg". Quietly everyone takes their place. A few nervous souls ask, "Where's my hat?" and "When do I say my line?" Ms. Hodge enthusiastically enters and says, "The show is about to go on!"

Ryan Markley played "Luther Billis", an experienced sailor on the rough seas and on shore. Being stationed on a tropical island wouldn't be so bad if the sailors could just break away. Luther has the cornball idea of going to a nearby, but restricted French inhabited island. This place is called Bali Hai and all the women on the island have great lust for the "American Sailor". In this scene Luther is approached by Captain Brackett played by Chad Arseneau. The captain is upset with the crew because a native named "Bloody Mary" has a hut on navy property. Amy Haste played Bloody Mary.

In this scene, Luther and the guys present Nellie with a gift. The navy men think Nellie is special, and they give her a pair of tailor-made navy shorts. Knucklehead "Nellie", who is played by Tara Curby, receives a lot of attention from the opposite sex. The guys on the base are also involved in a Thanksgiving show which Nellie is in charge of. The people are from left to right: Eric Bratcher, Shawn McVey, Tara Curby, Kevin Arseneau, Erik Barnlund, Ryan Markley, Bret Galyen, and Roger Jensen.

Right: The new dimension group consists of outstanding choir members that can sing and dance. Far right: Jennifer McMasters listens to the lovely sounds of Darrin Akin's trumpet playing.

GREAT MUSIC!

After the play was over in 1986, choir, band and swing choir began to settle back into their own routine. The choir members began to sing a variety of music to choose to bring to contest. The swing choir began practices and was on the move. Also the pep band was eagerly awaiting the boys' basketball season. A very noteworthy year had begun.

Mrs. Brown and Ms. Hodge,

Donovan's outstanding music directors, began Christmas music right after the play, as Christmas was just around the corner. Students assembled and heard the many Christmas favorites in a twenty minute melody called "I Love Christmas" performed by the choir. The band also performed various Christmas melodies.

In January contest music was passed out. The choir went to con-

test on March 7th. The group performed well and fell only two points from receiving a First place rating. They were very pleased with the results. The band and choir then prepared for the solo and ensemble contest which was held in April. All members performed excellently at this contest. Overall the music department had a very successful year.

The girls on the navy base are quite envious of Nellie. Nellie's boyfriend is a rich, charming French man who lives in a mansion. The girls on the base can't believe Nellie when she says she wants to break up the relationship. In this scene she says that it's all off. The girls find it hard to believe when she tries to wash that man right out of her hair. Later in this scene Emile finds Nellie only to be washing her hair. Emile talks Nellie into going to the big dance, and she says yes. The girls on the navy base don't believe she has broken the relationship up after Nellie and Emile romantically kiss on the beach.

Eric Bratcher and Tara Curby in this picture are discussing Emile, (Darrin Akin). Shawn Arseneau looks on as they plan to attack the French Island. The navy wishes to use Emile and his combat experience to undergo a secret mission. Eventually, the navy asks Emile, himself, and he accepts the job. Tara believes Emile is a calm, family man and she knows very little about his past or the fact that he has killed a man. Neither Emile or Tara know that the secret mission the navy has planned could be life threatening.

"The Donovan High School music program was, in the past, in a slump as was the school's economy, but the strong Junior High music students will continue Donovan's harmonic reputation."

Below: High school home games would not be the same without the "Pep Band". Favorite numbers of the crowd include "Footloose", and the "School Song".

Above: Wiz plays the saxophone as he has never played before. It sounds great, and it proves that practice makes perfect.

Left: Choir Concert was held in Gibson City on March 7. "Ice Castles", "In This Very Room", and "Go Not Far From Me" were their selections. They did a great job!

After Nellie decides to "Wash Emile out of her hair", she is once again spellbound by Emile when he comes to speak with her. He proposes to Nellie and sings "Some Enchanted Evening" to her. Following the song, they engage in a kiss. Emile goes on his way after Nellie promises to think about his proposal. Nellie and the other nurses join together to sing. "I'm in Love with a Wonderful Guy". Tara showed her dancing talents in this song.

Emile holds a dinner party in honor of Nellie. He wants her to meet his friends so that she can have an idea of what life would be like if she married him. Emile and Nellie sing, laugh, and dance until his children come out. Nellie is surprised to find that Ngana and Jerome are Emile's. She is shocked by the fact that he was married to a Polynesian. Nellie leaves very upset, and Emile vows that he will never let her go. Above, Emile is seen introducing Ngana and Jerome to Nellie, as Henry, the butler (Jason Webster), looks on.

Originally produced, South Pacific opened at the Majestic Theatre in New York City on April 7, 1949, and closed on January 16, 1954, running for a total of 1,949 performances. It was awarded the Pulitzer Prize for Drama in 1950. It also won eight Tony Awards for 1949-1959, including Best Musical, as well as nine Donaldson Awards. Some of the well-known songs include: "There is Nothing Like a Dame", "Bali Ha'i", "I'm in Love with a Wonderful Guy", "I'm Gonna Wash that Man Right Outa My Hair", "Honey Bun", and "Some Enchanted Evening."

South Pacific was directed by co-directors Linda Brown and Barbara Hodge. Both directors had previous experience with the play. Mrs. Brown once played the lead female role as "Nellie". Ms. Hodge was also a character. This experience helped Stage perform the play with much success. In this picture, Tara Curby, Donovan's young aspiring actress, sings a solo. Mrs. Brown helped Tara with singing and choreography in her numerous dancing scenes. The play was backed by the Music Boosters. After rehearsal the crew was treated with pizza. Many thanks to the directors and all those who contributed. The young actresses and actors are sure to be successful in the future.

PROPHECIES

On Thanksgiving Day in the year 2007 Mrs. Hamilton read a letter from Abby, age 22, is at college.

"Dear Mom and Dad, " College is great! My needlepoint professor, Karen Lund and I were discussing the recent Space Shuttle launch. She said the "Commando" piloted by Stacie Arseneau was lost in space. Karen said a search party, led by former wheelchair racer, Mr. Walker was looking for it. America's first president, Jill Duzenbery, is terribly upset. Her private nurse, Maxine Burks, had to give her tranquilizers to calm her.

In a letter from Alexander, he said he recently fired one of his bank employees. Susan Orr was fired because she was breaking dates with clients. He's also thinking about buying a new car, from car dealer Donna Lade. Her cars come with special posters.

I went into Big Daddy's Restaraunt, owned by Arlin DePatis and saw Karen Meier, who is pregnant for the ninth time. I also saw Jeff Klecan and arranged for the triplets to go bore hunting with him! Philip Roberts will take them by boat to Pig Island, owned by the great hog farmer, Troy Zabel. Anthony's kindergarten class went there too once with their teacher, Lori LaFord (Henneike). That's where Anthony bit a pig, and they had to call in Vetermanian, Tina Arseneau, to give the pig rabies shots. Lori called the school to tell them what happened and secretary Venita Brown, answered the phone and assured her that the pig would recover.

The twins called and said they have tickets to see comedian, Keith Anderson live in concert. They THINK it will be a good show! Adam wants to go to ITT after he graduates. That's where Chris Gertsch is going for the 19th consecutive year isn't it? Amanda said she was taking bowling lessons from World Champion Bowler, Danita Clements and ran into Donna Williamson, who had the day off from the Dairy Queen, while there. They watched the Olympics which were on TV and saw Track Star John Wisniewski capture another gold medal for the Russians.

I heard that Angel drove through the McDonald's window just hours after receiving her drivers license from license examiner, Susie Caise. Officer Jeff Heagle arrived at the scene of the accident. McDonald's employee, Mary Beth Overbey, showed her temper as she yelled "who taught you how to drive?" Angie Harris, owner of the McDonald's Corporation, was notified immediately. She pulled up in her limousine driven by John Pelehowski. "I'm calling my lawyer, Jennifer Seibring and suing" she yelled. A law-suit is being brought against them for thousands of dollars. "Now you can fire your housekeeper, Ted Lease, because you won't have enough money to pay him!

I also heard you received a visit from truant officer Dave Guilbeault. Angel told me that she skips school to watch her idol, Darin Henneike, pitch for the Sox.

Mr. Klinefelter's retirement party was great!!! The President of the Silhouettes Fan Club, Tammy Nolan, congratulated Mr. Klinefelter for his 38 wonderful years at Donovan. The former Miss America, Julie Demierre was there with Miss Volleyball, U.S.A. Denise Fertig. When the Silhouettes went on break, Tammy announced that special guest Dallas Cowboy Cheerleader, Donita Gillespie would be performing. She pulled up on a Harley driven by former Hell's Angel member, Kim Guynn. While Donita performed caterer, Kelly Martin, passed around hors D'oeuvres. I also saw Spanish talk show host, Natasha Smith there. I went to congratulate Mr. Klinefelter and found him talking to Miss Lake about her three children. I then noticed Mr. Klinefelter's lack of hair. I asked him who had cut it and he answered, "Vance Sterrenberg." A chartered plane, at the request of President Duzenbery, was waiting to wisk Mr. Klinefelter to the Bahamas. Pilot Scott Zabel assured a nervous Mr. Klinefelter that the worst thing that could happen is that the plane would run out of fuel and would crash into the ocean, and never be heard of again.

"Well, that's enough. See ya soon. Love, Abby." "Well, Mrs. Hamilton, it's time to go see your psychiatrist, Leanne Redmore" David Mays said as he pushed her wheelchair through the halls of Sunnyrest Hospital for the Mentally Insane. She had been admitted to the asylum shortly after she had her tenth child, All Done! What else provoked Mrs. Hamilton's illness? Of course, it was the class of '87! Good Luck, Seniors! We'll miss you!

1987 PROM

Below: Prom Court: D. Pope, C. Sawyer, J. Duzenbery, J. Wisniewski, L. LaFond, D. Henneke, R. Lafond, A. Wisniewski, King Troy Zabel, Queen Julie Demierre, D. Maiden, M. Regnier, K. Anderson, S. Arseneau, D. Hoyer, E. Hubert. This year's Junior-Senior prom was held on May 2nd at the Bon Vivant Country Club in Bourbonnais. The band "Reaction" performed, and a garter ceremony was held.

AWARDS DAY MAY 27, 1987

Many DHS students were honored at Awards Day for their achievements during the 1986-87 school year. Several scholarships were awarded, including: J.H. Grant and Clifford Bury scholarships given to Karen Lund, Reynolds-Barwick Scholarship given to Jennifer Seiring and the Lion's Club Scholarship given to Susie Caise.

Other awards include the American Legion Award given to Darin Henneike and Jill Duzenbery. The DAR winner was Jill Duzenbery and the SAR winner was John Wisniewski. A drawing for the Perfect Attendance Award was held. The winner, Rod Lafond, received a stereo/T.V. portable box.

Class awards were also given. Rod Lafond received the American History Award and honors math classes award. Amy Harrison received the Frosh-Soph Math Award. Tammy Nolan received the Outstanding Business Student award. The Outstanding Choral Member was Karen Lund and the John Philip Sousa Award was received by John Wisniewski. Physical fitness awards were given to Traci Ratliff and Jeremy Hatch. The Daily Journal Academic All Area Athlete of the year award was given to Susie Caise. Finally the Intramural Ping-Pong champions were awarded. They were Kim Salm, John Wisniewski and doubles team John Wisniewski and Jason DePatis.

The Humanitarian Award was also presented on Awards Day. Joe Swigert received this award from Student Council President Jill Duzenbery. Mr. Swigert is a janitor who has been working At DHS for five years. He received this award because of his friendliness to students and faculty and the Student Council members and student body felt he had earned his honor.

CONGRATULATIONS!

She plans to attend Kankakee Community College this fall. Jill was the Student Council President this year.

WE FINALLY MADE IT!

As the Graduates approach their final milestone at Donovan High School, they reflect upon their fondest memories that will last a lifetime. They have accomplished goals unattainable in the eyes of society. Having made lasting friendships, the heartaches and joys of student's lives will be cherished forever. It's been real, it's been fun, but not real fun!

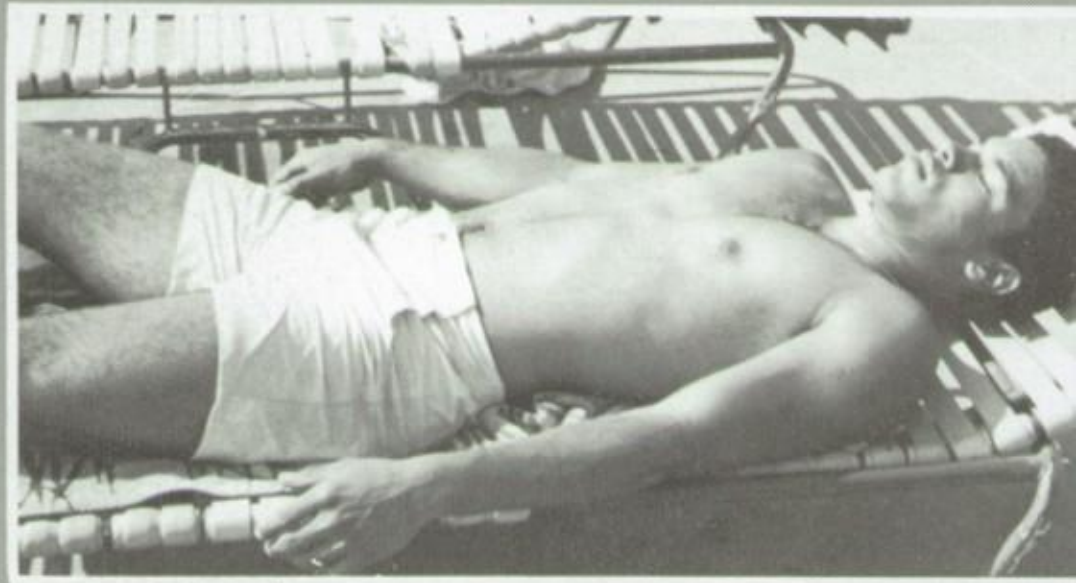

SENIOR TRIP

June 1st the class left Donovan for Florida. A 22 hours bus ride brought us to Ramada Inn in Kissimmie, Florida. That afternoon we explored the many acres of Walt Disney World. The evening was spent swimming, carousing, and visiting with each other. Epcot and Daytona were on the agenda for the next day. We spent the night at Holiday Inn Surfside and the class had an Ocean view at Daytona. Many ate at Red Lobster or McDonalds. Many bought souvenirs like shell rings, t-shirts, mugs or sunglasses. The group left Thursday with many fond memories of Florida and of each other.

BOBCATS

This year's 8th grade basketball team had an outstanding season. Their overall record was 21-1 with their loss coming in the Elite Eight competition in the I.E.S.A. Best of luck to this fine group of athletes as they enter high school next season. The Bobcats were coached by Kevin Long. For more information see pages 96-97.

class of 1992 — 7th grade

The days of afternoon recess are over, no more walking down hallways in a straight line and quiet. Time to reflect on the past, but not for long as now they face the challenge of being Junior High students. How many will make it all the way through their high school years, only time will tell. The next few years will pass by very fast so take time to enjoy your school years. Good luck as you enter a new school year.

cheerleading, beta club, choir, band and much much more.

JUNIOR HIGH ACTIVITIES

This years Junior High activities included the Beta Club, Band Choir, Cheerleading and a host of other fun events. The Student Council sold concessions at the boys basketball games and used the money to provide activities like the Valentines Dance and another dance in October. The 8th grade class made their annual trip to Indiana Beach in early May. Mrs. Markley, Junior High sponsor continues to provide her expertise in advising the Junior High.

The Band and Choir provided the Junior and

Senior High students with an enlightening Christmas assembly in December. Many students played key roles in the school play South Pacific. Eighth grader, Tara Curby played the female lead doing a fine job. In March the choir participated in the IESA Vocal Solo and Ensemble contest at Cissna Park. The team brought back 24 superior ratings and 16 excellent ratings. Mrs. Brown, choir teacher has much talent to build on for the future.

The Cheerleaders provided spirit and entertainment for the boys basketball games. Practicing nearly every night after school these girls are dedicated to doing the best job they can. Elections are held a year in advance in March to determine the new cheerleaders. These girls work very hard to get a position on the squad and their abilities are seen at each game. They had much to cheer for this year as both boys teams had fine season records.

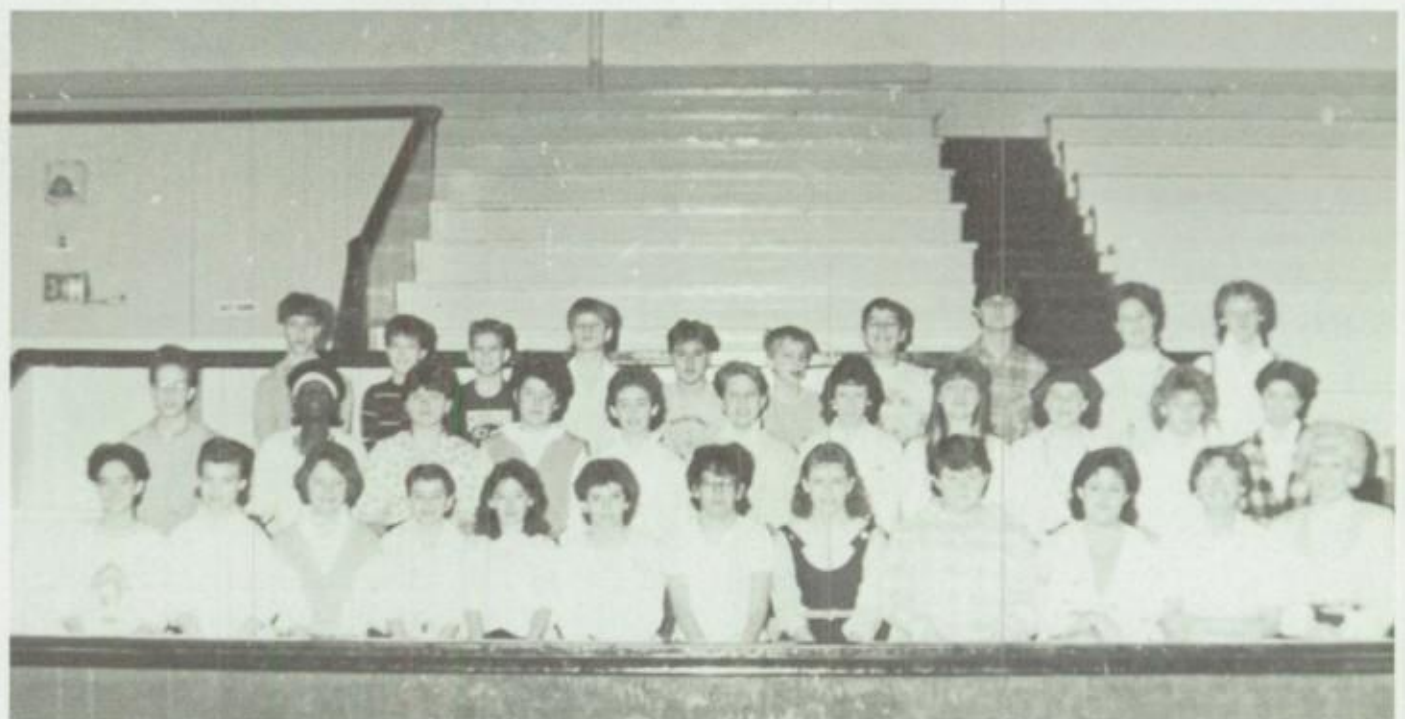

Above: Michelle McCullough shows her Bobcat spirit as the mascot for the basketball season. Michelle also plays a crucial role in the building of the pyramid along with the rest of the cheerleading squad shown at right.

At Right: Front left to right; Maxine Arnold, Nicole Couillard Back Row left to right; Jodie Boudreau, Michelle McCullough, Tara Curby, Cathy Caise, Dee Harding, and Tara Nolan. Mrs. Kroes was their sponsor.

The Junior High School Band shown at left: from left to right; front row: Beth Anderson, Natalie Seibring, Melissa Grant, Marnna Scolley back row: Cathy Caise, Wendi LeFeave, Jennifer McMasters, Tara Curby, Sean Galyen, and Brad Peterson. The band instructor is Ms. Hodge.

The Jr. High Choir — Front Row from left to right: Denise Lade, Maxine Arnold, Jodie Boudreau, Sasha Frye, Nicole Coulliard, Jennifer McMasters, Marnna Scolley, Mrs. Brown. Middle row: from left to right: Kirsten Markley, Lafay Jarrells, Kathi Johnson, Jodee Faupel, KC Sawyer, Mandy Lafond, Jennifer Moore, Darlene Gertsch, Melissa Grant, Beth Anderson, and Tara Curby. Back row from left to right: Kevin Arseneau, Jason Webster, Erik Barnlund, Jamey Hamilton, Jason Lareau, Toby Simpson, Mike Ingram, Chad Scolley, Cathy Caise and Natalie Seibring. Looks like most of the Jr. High had an opportunity to express their vocal talent this year as this writer begins to get writing cramps in the fingers.

Above: Front row left to right: Rachel Benoit, Mike Haste, Nicole Coulliard. Back Row left to right: Chad Coles, Eric Kalasz, Brad Peterson, and Darin Hofbauer. These students represent the academic ability of the Junior High as members of the Beta Club. Beta Club members must demonstrate their abilities in school work and leadership. Rachel Benoit was a third place winner of the National Society of the Daughters of the American Revolution American History Contest. Brad Peterson represented the Junior High in the District Spelling Bee competition. Darin Hofbauer demonstrates his ability to sleep learn. The Beta Club represents the Bobcats finest. Mrs. Booker, Guidance Counselor was this year's sponsor of Beta Club.

At right Brett Lemenager bursts through the hoop just before another Bobcat victory. Far right: the 7th and 8th grade baseball team along with Coach Long. This season 6th grade boys were allowed to practice and play at the 7th grade level.

Kneeling: Jason Lareau and Coach Kevin Long. Open your eyes Coach, The season is over.

The seventh grade Bobcats had a good season this finishing 11-4. Below Erik Barnlund attempts a free throw in one of the tense 7th grade games.

Below from left to right: Jason Arseneau, Travis Mohlenbrink, Keith Willis, Chad Coles, Jamey Hamilton, Wade Bell, Ryan Kalsz, Erik Barnlund, Jeremiah Askew. Kneeling: Manager Jason Lareau, Coach Kevin Long. The sixth grade boys added some depth to the 7th grade team.

a little muscle, a little might, these guys prove they're alright!

JUNIOR HIGH BOYS' SPORTS

Coach Long in a time out. He provides the necessary strategy for the 8th grade team to obtain a winning combination. Coach Long instills discipline, pride, and dedication in his players, and they respect him for his coaching ability.

This years Donovan Bobcats boys sports program saw more improvements. Coach Kevin Long in his third year at Donovan began to enjoy some success with the talented young Bobcat athletes. In Baseball the boys finished 1st in the conference. As the season went into the fall sports program of basketball the boys enjoyed even more success. The seventh grade team, aided by four sixth graders, led the way to an 11-4 season. Although defeated in the first game of regional competition these boys showed much improvement over their past season. The 8th grade team found themselves in a record season. They just kept winning. The team has a lot of depth in the bench, and it showed in tight situations

when players got into foul trouble. The first hurdle was the county tournament when Donovan won a bye, ranked #1, they beat St. John's 60-10, Buckley Loda 38-27 and narrowly beat Crescent 29-28. In regional competition they beat St. Anne and then Crescent 30-28, leading to the "Sweet Sixteen". The team then played South-Eastern at Olympic High School in Stanford. The win brought them into the "Elite Eight". In an exciting game Donovan lost to a one man Washington Pleasantview team. The excitement had come to an end for this season, but much thanks should be given to the fans, parents, and the cheerleaders for their support.

The Junior High girls sports are quickly becoming more popular. By participating in after school athletics, the girls learn many new things. They have a chance to improve their athletic ability by playing volleyball in the fall, or basketball in the winter. For many of the girls it is their first taste of team sports. They are first taught the fundamental skills and the basic rules of the game. Along with the athletic aspects of the games, they learn several other valuable skills. They must learn to be dedicated players by going to practices and games. They learn to be a team member and work with the other players. Enthusiasm and concentration are two other factors they become familiar with. Sportsmanship is another key ingredient as the girls represent their school and must show their loyalty to the school.

The volleyball season for the girls began in August with conditioning practices to help the girls get in shape for the season ahead. They learned to bump, set serve and other basic skills and rules of the game. The season began in September and ended in October. There were only a few games, but each was an experience and brought new trials and tribulations. The girls learned the thrill of victory and even more often,

the agony of defeat. In February the basketball season got underway. This was not only a new experience for the girls but also for first time coach, Miss Fenwick, who was broken in quickly. The girls had a rough season but made the best of it. These girls learned a lot by participating in sports and had fun the same time which is sure to help them in their future as athletes at Donovan.

Coach Fenwick discusses game plans with her team during a time out while the girls listen attentively.

Volleyball coach, Mrs. Krones, explains to her girls how important strength is and also demonstrates this for the team.

Below: In one of those frantic 7th grade games Kristie Cailteux brings the ball up the floor as Dee Harding and K.C. Sawyer begin setting up the offense needed to score. Miss Fenwick calmly directs her team from the sidelines.

Above: The eighth grade team tries a new in-bounds play in a game situation. The objective is to get the ball into play. In this case Carrie should not have any problems unless Steph and Jenni try to block each other out.

In Loving Memory Of
Steven Ray Salm

1969-1982

***We never lose the ones we love
For even though they are gone,
Within the hearts of those who care
Their memory lingers on.***

Well folks, this is the closing page. What more can we say? We've had a whole bunch of fun, but it's been a lot of work. Hope you liked it. We would also like to wish the best of luck to next year's editors, and thank everyone who helped this year.
